

**Dear Hadassah 2012 Convention Participant:**

**Attached please find a special travel insurance plan being offered exclusively to Hadassah 2012 Convention participants, which can be ordered through Ayelet Tours, Ltd.**

**With this plan, you will be able to adjust your purchased insurance plan if you choose to add touring elements to your convention travel. For instance, if you are certain about your convention attendance but are unsure if you are going to book a convention extension, you can purchase this insurance plan now, and add an extension to your coverage at a later date. Please note, you will NOT be able to deduct any touring elements from this insurance plan once purchased.**

**There are a few important differences between this travel insurance plan and other insurance plans offered:**

- **As a Hadassah Convention attendee, you can purchase this insurance plan through Ayelet Tours ANY TIME before submitting your final payment.**
- **This insurance plan WILL cover pre-existing medical conditions, regardless of date of purchase.**
- **This insurance plan does not include a terrorism clause.**

**Should you wish instead to purchase a different travel insurance plan, please visit our [Travel Insurance page](#) for links to plans offered by TravelGuard and TravelEx.**

**Sincerely,**

**Seffie Epstein  
Executive Director**
