Suggested Four Day Tour New York City Itinerary

DAY 1: Arrive in New York City. Today we enjoy a walking tour of Brooklyn, including the Hassidic Community and Labovich Headquarters. After enjoying lunch in Brooklyn, we visit the **Center for Jewish History** – The recorded history of Jewish civilization as it developed over millennia in different corners of the Diaspora, as well as the particular and universal achievements and contributions of the Jews are documented here more comprehensively than in any other institution in the world. We return to our hotel via **Central Park**, enjoying the panoramic tour through this quintessential landmark. This evening we have dinner together at a New York City restaurant, before having the option of enjoying a **Broadway** production. Overnight NYC.

DAY 2: After breakfast this morning we proceed to **Ground Zero**, where we have time to reflect on the tragedy and the victims of the terrorist act. We then continue on to the **Tenement Museum**, whose flagship tenement building at 97 Orchard Street reflects the typical first homestead of urban, working class, poor and immigrant people in the United States around the turn of the century. We stop at the **El-dridge Street Synagogue**, a historically preserved synagogue whose doors opened in 1887. For lunch we stop at the **South Street Seaport** – A thriving community complete with a world-class maritime museum, breathtaking views and more than 100 shops, cafes and restaurants. Our afternoon includes a walking tour of **Chinatown** where we have dinner at one of the many local ethnic restaurants. Overnight NYC.

DAY 3: After breakfast this morning we depart for **Ellis Island**, where we see the **Statue of Liberty** and learn about the history of immigration to the United States. We return to Manhattan for lunch and a walking tour of **Wall Street**, after which we visit the **Museum of Jewish Heritage** in Battery Park – this is a Living Memorial to the Holocaust that honors those who died by celebrating their lives. Tonight we dine at an authentic New York Deli before visiting the **Empire State Building** and enjoying an evening performance at the **Jewish Theatre**. Overnight NYC.

DAY 4: This morning we visit the **NBC studios** at Rockefeller Plaza, after which we have free time for shopping in the area. In the afternoon we take a tour of the **United Nations building**, including a visit to the chambers of the Security Council, the Trusteeship Council and the Economic and Social Council, which are located in the Conference Building. Later today, we depart for home.
